2nd Annual SOS & friends CAREfest

The 2nd Annual SOS & friends CAREfest was held Saturday, September 21st with record attendance. An estimated 392 registered attendees along with non registered participants joined in on the FREE community event. With the help of 43 agencies/ministries SOS was able to provide clients with free health screenings, information on programs and assistance offered through the state and county, free flu shots, vision screenings, pantry items, free lunch, job fair opportunities, free smoke detectors along with fire/rescue educational information and an opportunity to engage with local law enforcement. Without the support of all of our SOS friends events such as these we would not be possible. A special thank you to Pct. 5 Constable Chris Jones and his team for providing and cooking over 500 hotdogs and to Congressman Kevin Brady as well as Sonic Drive Inn Magnolia for providing lunch items to those attending.

PANTRY PARTNERSHIPS

Society of Samaritans is grateful for the partnerships we have formed with those in our community. The kindness and generosity of our newest partner HEB- Magnolia allows SOS to help more families in Montgomery County with food assistance. Thank you HEB-Magnolia, Shipley's Donuts and Brookshire Brothers for the blessing you bring to the shelves of our pantry. Shop and support local businesses in our community who have a heart for others!
